THE ARCH

Florida Memorial College
St. Augustine, Florida

Volume 13

1967

The Alma Mater

As the breeze through moss-hung trees
Seems to sing thy sacred name,
Thy sons and daughters love to spread,
O'er all the land thy well-earned fame!
We love thy halls, coquina walls,
And thy friends who gave thee birth.
The truth we learned as each heart yearned
For higher, nobler things on earth!
Should future years bring joy or tears

To thy name we'll e'er be true,
To thee we pledge our loyalty
And dedicate our lives to you!

Chorus

Florida Memorial! Florida Memorial!
How we love to sing thy praise.
We'll be loyal, ever loyal,
And for thee our voices raise.

A HAPPY Florida Memorial

Hail and Farewell

"... all experience is an arch where-through
Gleams that untravelled world, whose margin fades
Forever and forever when I move ..."

Our experiences at Florida Memorial College this year can be reviewed as we turn the pages of *THE ARCH*, and smile happily. Each page tells a story, a story that has created a part of our lives and has prepared us to travel to the world beyond our coquina Arch. The moss-hung trees, the coquina walls, the faculty and staff, the classrooms, the activities, our going to and fro on King Street, and above all FMC's philosophy of Christian ethics and the principles of democracy—these will cause "a spontaneous overflow" of emotions, emotions that will recall our abundant life at Florida Memorial College.

We—the pictures on these pages—are the personification of Florida Memorial College.

All hail ... and farewell!

Judy Jenette Barnes,
Editor

THE ALPHA OMEGA CHAPTER of LAMBDA IOTA TAU was installed on the FMC campus on October 29, 1964, with Joseph Carl Devine, Annie Grace Foster, Bette Wilson Strickland, and Veronica Whitelocke as charter members and Dr. Barnhart as Moderator. Lambda Iota Tau was established in 1953, there being over 55 chapters today in this country, Canada, and Japan, all of them devoted to "the recognition and promotion of excellence in the study of literature." The letters *Lambda Iota Tau* stand for the motto of the society, "The word gives form to the idea." The insignia consists of two crossed quills over a shield, on which is a gold bend sinister with the Greek letters L.I.T.; in the upper portion of the shield is a gold torch of learning; in the lower portion a gold chain of fraternal unity; under the shield is the motto. The official colors are purple and gold, for the magnificence of literature and Keats' "realms of gold" into which it takes us.
